

**New Zealand Services Tariff - Appendix A**

**APPENDIX A – RESTRICTED ORIGINATING ACCESS**

**Limited Toll Service**

Customers may originate calls through the ACN Toll Service in all Localities within New Zealand except where the caller's local exchange does not support non-coded access.

Originating access may be restricted where the caller's local exchange does not support full toll preselection. Calls may not be originated via the Service to cellular phone numbers from certain line numbers within these exchanges. The Service will be limited to fixed line termination within New Zealand and termination to numbers outside New Zealand. The Localities (and the affected exchange prefixes and line numbers) are outlined in the table below:
