

New Zealand Services Tariff - Appendix C

APPENDIX C – INTERNATIONAL AUDIOTEXT CALL CHARGES

International Audiotext Calls

All international Audiotext call charging commences at the time a connection is established and stops when a call is terminated. Each call includes the minimum initial charge for the first minute of duration or part thereof (charged at the per minute rate for the destination called) plus the charge per subsequent one-minute increment or part thereof (Table 1) multiplied by the duration of the call beyond the initial minute and rounded to the nearest cent.

Table 1. International Audiotext Call Charge Rates (all Service Plans)
